**Job Description**

Aviall is a leading solutions provider of aftermarket supply-chain management services for the aerospace and defense industries and is the largest subsidiary of The Boeing Company. Aviall has an entrepreneurial spirit and a can-do culture with the backing of one of the world's best companies, Boeing.

The Assembly Tech I, disassembles, cleans, and assembles aircraft wheels, brakes, batteries and/or hose assemblies to product specifications and uses hand tools and small power tools to assemble units.

**Job Responsibilities:**

- Disassemble and clean aircraft wheel and brake units and components
- Paint aircraft wheel and brake units and components
- Assist other technicians as needed.
- Assemble various units
- Prepare and ship materials
- Receive and prioritize orders
- Complete special projects and other duties as assigned

**Job Requirements**

Minimum Requirements:

- Education Requirement: High School Diploma or GED.
- Required: 0 to 2 years related experience.

Aviall is an Equal Opportunity Employer. Employment decisions are made without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability, veteran status or other characteristics protected by law.
