

DUNCAN AVIATION

Now Hiring AVIONICS TECHNICIANS in Southern CA!

Are you an experienced Avionics Technician looking for a career change? Or just starting out in Avionics with a motivation to grow in the industry? If this is you, join our teams in Palomar or Van Nuys! Duncan Aviation is growing in Southern California and looking for professionals to provide above standard quality service to our customers.

We are hiring for day shifts in CRQ and both day and swing shifts in VNY.

If you have a passion for aviation and thrive in a fast-paced work environment, Duncan Aviation is looking for you!

Apply online: <https://www.duncanaviation.aero/careers>

Duncan Aviation is the largest family owned MRO in the world, providing complete nose-to-tail support services for business aircraft. Come be a part of the experience.
