FOR IMMEDIATE RELEASE

Employment Opportunity

POSTING: Jan 31, 2017

Aircraft Maintenance Technicians

Western Jet Aviation located on the Van Nuys Airport has immediate openings for full-time, certified Aircraft Maintenance (A&P) Technicians.

REQUIREMENTS:

- A&P Certificate, current and in good standing.
- 3 -5 years experience performing light and some heavy maintenance & inspections on mid-size business jets, primarily Gulfstream-type aircraft.
- Must have own tools.

Salary is commensurate with experience. Western Jet Aviation offers medical and dental benefits along with 401(k), sick pay and vacation pay.

If you are interested and meet the above requirements, email your resume in MS Word or PDF format to:
